

TIPS FOR WHEN YOU GET HOME AFTER YOUR SHIFT

to prevent the spread of Coronavirus

The World Health Organization says it's not certain yet how long coronavirus lives on surfaces, but preliminary information indicates it persists on surfaces from a few hours or up to several days.

REMOVE SHOES
BEFORE
ENTERING YOUR
HOME

CHANGE INTO
CLEAN CLOTHES
WHEN YOU GET
HOME & WASH
THEM

WIPE YOUR PHONE
WITH
DISINFECTING
WIPES

WASH YOUR
HANDS OFTEN
FOR 20 SECONDS

CONTINUE TO
PRACTICE SOCIAL
DISTANCING
